

"Sharing God's heart for the Jewish people"

Executive Director Job Posting

Life in Messiah International is seeking a godly and collaborative leader to direct its growing staff of approximately fifty personnel in eight countries. The ideal candidate would model a humble personal walk with the Lord, exhibit outstanding interpersonal and communication skills, and have a reputation for working well with others in Jewish ministry.

Qualifications include five years of ministry leadership experience, with Jewish ministry preferred. An advanced degree in Jewish studies, or educational experience in Israel would be considered an advantage.

Life in Messiah International has ministered to Jewish people since its inception in 1887 as the Chicago Hebrew Mission (aka American Messianic Fellowship). The ministry is dispensational in theology and non-charismatic in practice.

Currently, most activities are directed out of our headquarters in Lynwood, Illinois. Frequent travel to our various points of ministry is required.
